HOW TO WRITE YOUR OWN SCARY

STORY

1. **Choose an interesting "what if."** For example, what if you were trapped in a movie theater?
2. Think about all the **scary things that could happen** in that situation. Then think about all the ways a person could get out of that terrifying situation.
3. Who is the **main character**? Is it you or a fictional person?
4. Choose a **scary setting**. Decide where and when your story takes place.
5. **How did the main character end up in the scary situation?**
6. Choose a **bad guy or villain**. Describe this character and how he or she will provoke fear in the story.
7. Develop the **plot**: • What will happen? • What problems will the main character have to face? • How will the problems be resolved? • What other characters might be involved? • What is the danger?
8. Make up a **surprise ending**. Good stories shock you!
